Practical and travel information

We are looking forward to seeing you all in Oslo soon! We hope this document will help you with your planning, but if you have any questions, please do not hesitate to contact us.

General information:

- In Norway, we use the Norwegian kroner as our currency (*nok*, or *kr*). The rate is approximately 10.3 NOK to 1 EUR. Norway is very much cashless, so do not worry about taking out cash from an ATM. Cards (VISA/Mastercard) are accepted everywhere, so you will not need cash.
- Are you bringing electric devices? This is the look of a socket in Norway:

You can read more about it on their website: <https://flytoget.no/en/>.

Take the train to the Oslo Central station, and the hotel is about a 500m, 5-minute walk from there.

The bridge looks like this:

Once you cross the bridge, go down the stairs, and make a right to walk around the building. The entrance to the Directorate is on the south side of the building, facing the train tracks (not the north side. If you see the entrance to the Oslo Police Immigration Section, you’re on the wrong side).

The correct entrance looks like this:

When you arrive, there will be a badge with your name at the reception desk.
